PART 03

## Aftersale Advantages

5 yrs warranty for joystick control

quick fix for tips articulations

repair at your local

cost down 80% definitely

## 5 yrs warranty of Joystic control

### Joystick Control parts

It is the 4 steel strings 5 yrs warranty.

as per our aging test:

life span is 70,000-100,000 times.

(other life span is only 11,000 times at most)

the truth:

the steel strings will be 100% broken after months use or 1 yr a little more.

our warranty: 5 yrs

in case it is broken within 5yrs, we will bear the cost to repair or replace it.

## 2-mins fix tips articulations

the tips' bending worse & worse

Our competitors  
after months use, the steel strings will extended  
because of aging, 100% happens. almost other  
videoscopes almost 100% return to factory to revoery.

time: 3 weeks or 1 month

cost: round trips international shipping

anyone fixs it with a screwdiver with 2 mins

# Hendoss

## repair locally

our competitors  
have to return factory to fix or replace.

**Modular design:**

**easy to repair or replace the spare parts:**

- **probes**
- **Sheath**
- **PCBA**
- **Host/Display**

by our distributors & enduser clients
